making space work ...

DDC Shopfit & Design is a uniquely diversified and multi-disciplined company complete with our own in-house design, joinery and installation departments. Established in 1973, DDC Shopfit & Design operate from a specially designed 20,000 square foot premises in Greenogue Business Park, Dublin.

DDC Shopfit and Design can work individually on specific contracts or come together to reduce and streamline costs whatever the project. Our diversified portfolio includes: pharmacies, fashion, convenience stores, DIY, cafes, off licenses, jewellery, shoe shops, toy shops, centre floor units, point of sale and bespoke designs. **At DDC we know that creating the right retail environment is essential to bring your vision to life.**

With over 30 years experience we bring innovation, design and a fully managed, integrated approach into every project with our goal to provide this efficiently, on time and within budget. It is our people and their skill set which have made us the success we are today.

Our customers are confident in our ability to exceed expectations and deliver on their requirements whatever the project size.

We directly employ our own designers, carpenters, project managers and installers, under one roof therefore streamlining cost and creating the perfect turnkey solution.

Dunlaoghaire Pharmacy

“After much procrastination we started the process of discussing our ideas for our new shop fit. Almost immediately we acknowledged DDC as our preferred shopfitter, this being due primarily to the informative, approach from DDC. Their installation team were professional, quick and displayed great attention to detail throughout, yet courteous and respectful of our opinions and concerns. We have no hesitation recommending DDC Shopfit to anyone looking for a professional shopfit.”
